Note A Parents, guardian or a Member under Category Item #1 or Item #2 above may sponsor Junior Members. On reaching 18 years Junior Membership ceases and an application for full Membership is required. An Educational Concession is available, from 18-24 years of age. The member should provide proof of attendance at a place of higher learning. At 25 years of age, an application for full Membership is required to be made.

Note B: Children under 14 years of age accompanying Members under Categories #1 & #2 are required to be registered. However, there is no subscription. They will be automatically transferred to "Junior Membership" upon reaching their fourteenth birthday, one November 1st following their birth date, unless written advice is received by the Club to the contrary.

Note C: The Graduate Membership applies to persons who have completed their first degree in the previous 3 years. This discounted rate will cease after 3 years and an application for full membership may be made. A copy of credentials is required.
